

Indian-Kentuck Watershed

Clean Up!

Become a Superhero!

The Indian-Kentuck Watershed needs your help!

The water we use on a daily basis is in danger from plastic and trash and is located within the Jefferson, Ripley, and Switzerland Counties.

Earn a free t-shirt! Snacks, Gloves, and Bags are provided.

By picking up trash, we can make our water cleaner.
Come save the world, one watershed at a time!

Meet at Markland Dam Park Shelter House

Sponsored by the Indian-Kentuck Watershed, Jefferson County SWCD, Switzerland County SWCD, Ripley County SWCD, Park Board, and Historic Hoosier Hills

Contact either Breanna Broad or Kristin Miller to get registered this awesome event and become Earth's super hero!
